

Weekly Report

2018.1.8-2018.1.14

0.Done

Add backend to the beta_ee_vis project by python Django.

Finish basis of deep learning study such as Deep Learning Software/Neural Networks and parts of RNN

1.Progress

Studying deep learning to prepare for electric AI.

2.Papers

null

3.ToDo

May new tasks for beta_ee_vis proj.

Studying deep learning of using RNN and preparing to code.
